Energy Systems Division

Process & Control Systems Department, SAUDI ARAMCO

Tel: + 966 13 880-9453

Email: saleh.qahtani.14@aramco.com

Saleh Ali Al-Qahtani holds a Bachelor of Engineering Science in Chemical Engineering from King Fahd for Petroleum and Minerals University, Dhahran, Saudi Arabia.

Saleh is leading the Energy Systems Optimization Unit of the Process and Control Systems Department. He has more than 16 years of experience with the company in the area of energy efficiency and process integration. He has many publications related to the GHG Emission Reduction through Systematic Waste Heat Recovery in Gas-Oil Separation Plants.

He received too many certificates of recognition from the Vice President of Engineering Services for his outstanding achievements and contribution to Saudi Aramco Energy Efficiency Program in 2005 and 2006. In addition to his current role, Saleh is leading the Energy Compliance team of Saudi Aramco.
